**Old Business:**

**Convention 2016**

Working booths as non-members?

JR leather said they aren't coming but Jim is manning the booth. Take another person as an example and it doesn't sound right to other suppliers.

Paul said we have an issue with some people paying some bills. There are two people who haven't paid some old bills. There needs to be a rule that you can't come to the show unless you are in "good standing"

The money collected from the show for T-shirts, aprons, membership etc came after the show that helps. (\$1300) (Money from memberships vs shirts, aprons should be totaled at the booth at end of convention.)

At the wholesaler meeting Sherry was surprised to hear that they don't have to pay anything to get into the show.

Paul thinks that no changes can be made this close to the show. Billy has been telling people that they have to be a member to come and thinks everyone should. Suppliers have to, wholesalers should have to also.

Everyone is in agreement that we need to continue to have a member or non-member label on the badge.

Seminars are set. Walk through is usually Friday at 8am to see if anything is needed.

Board meeting will be Friday at 10am- to 1 or 2. Saturday breakfast meeting is....

Sunday meeting is 7:30-9am

**Convention 2017** Queen Mary - July 19-24<sup>th</sup> 2017

### **Committees**

Membership, conventions, finance

### **Newsletter**

Mailed out this week. Postage is already paid.

### **Bags**

There are enough bags for a few months. For bags with sponsorship it takes 10-12 weeks total for the bag. John suggests bringing paper bag samples to the show.

Mitch thinks we need to add to July agenda that they need to discuss why they are even doing bags. They don't generate revenue and only take time. It doesn't benefit the SSIA in anyway and doesn't work towards the mission statement.

### **New Business:**

Mitch said that Feibings is wanting the list of repairers and doesn't want to pay. Discussion of whether they are to pay resulted and the end result is that Mitch is to tell them that it's \$300.
