Kevin D Financial Report – Treasurer John McLaughlin Extensive report for the members. Total as stated yesterday

\_We need to help each other to learn and grow together to be a healthier industry as a whole. Let's put the pettiness behind us and work on building a better and healthier industry for all.

IRA- Why are we stock piling \$108,000?

Paul- Replied that at the time we were hemorrhaging money. There wasn't enough to do any advertising and couldn't sustain ourselves. The board can now continue to come up with ways to make the money work for

everyone. The Repair with Pink, Shoe Repair week, Media Kits, posters available on line to print are all ideas we've done so far and now can come up with more.

There was a comment on the floor about having the Silver Cup every year since the winners and the industry gets press. The expenses are so great and the judges are all volunteers and the discussion on every year vs every two was had but no resolution was made.
